CONDENSED VERSION OF REPORTS AND MOTIONS VOTED ON:

FC Bossert called the meeting to order at 1910. FSO Samstag led the Flotilla in the Pledge.

Division Meeting Summary:

Notice was given that all Instructors must complete a one hour mandatory Workshop, no later than 30 June, to remain qualified as a PE Instructor. Contact Dave Bossert for additional information. The Auxiliary sticker “VHF Emergency Radio Procedure” (ANSC –3020), available to VEs and the public, is misleading. The DSC system is not monitored by the USCG on the Great Lakes; and, will not be monitored for at least another two years. The SO-MT has requested that each Flotilla suggest MT topics to be scheduled for future Division MT sessions.

Officer Reports:

The MT topic for tonight is the RBS-PV Program. March will present the topic of basic Vessel Examiner training for 2008 Vessel Safety Checks. A New Member Boot Camp is being prepared for possible presentation in April or May by Division personnel. Our PE schedule for the first quarter is posted on the Twelve Chicago website.

The focus of Flotilla 2-12’s missions in 2008 will be Vessel Examinations. More information will be forthcoming, from FSO-VE Hofing next month.
